Profile

I am currently pursuing a Bachelor of Information Technology (Computer Science). I am committed to expanding my knowledge and actively engaging in academic and professional development opportunities. I have completed training in Graphic Design and am currently undertaking a Web Development course with Programming Hero, which is strengthening my foundation in technology and digital skills. I have hands-on experience in Microsoft Office, data entry, problem-solving, and basic graphic design and programming. I adapt quickly to new environments, work well in teams, and stay organized to complete tasks accurately and on time.
